ANNUAL REPORT FOR THE ACADEMIC YEAR 2020-2021

Dear students, faculty, and esteemed members of our institution,

It gives me great pleasure to present the annual report for the academic year 2020-21 at our esteemed college. With a student strength of 734, we have continued our journey of academic excellence and growth in various spheres of education.

Our dedicated faculty members, along with 13 non-teaching staff, have been instrumental in providing quality education and support to our students. This year witnessed remarkable achievements, with Safa Usman securing the 5th position in B.Com in the Calicut University examinations.

In line with our commitment to holistic education, we organized a total of 16 seminars and workshops, providing our students with valuable insights and knowledge beyond the classrooms. Additionally, 11 extension programs were conducted, fostering a culture of community engagement and social responsibility among our students.

I am pleased to report that we signed 4 memorandums of understanding (MoUs) with reputed institutions during the year, opening up avenues for collaboration and academic exchange.

The Internal Quality Assurance Cell (IQAC) played a pivotal role in enhancing the quality of education at our college. Two Faculty Development Programs (FDP) were conducted, focusing on faculty training on Learning Management Systems (LMS) and stress management. These sessions benefitted 28 faculty members and 3 non-teaching staff members.

I am delighted to share that Ms. Chitrakala, the Head of the Department of Commerce, was awarded a doctoral degree in commerce, a testament to her dedication and academic prowess.

Furthermore, to cater to the diverse academic interests of our students, we introduced new courses - BBA and MA Sociology, providing them with a wider array of learning opportunities.

In addition to these accomplishments, our faculty members actively participated in various seminars and workshops organized by other institutions, further enriching their knowledge and expertise.

As we celebrate the achievements and growth of the past academic year, I am confident that we will continue to uphold our commitment to academic excellence and student welfare in the years ahead.

Thank you for your unwavering support and dedication to our college.

Warm regards,
