ANNUAL REPORT FOR THE ACADEMIC YEAR 2021-2022

Dear students, faculty members, and stakeholders,

I am pleased to share the annual report for the academic year 2021-22 at our esteemed college. With a student strength of 845, we continue to uphold our commitment to academic excellence and holistic development.

Our dedicated faculty members, comprising 36 teachers and 14 non-teaching staff, have played a significant role in shaping the learning experiences of our students across various domains. In addition, we successfully conducted 10 certificate courses to enhance the skill sets of our students and prepare them for future endeavors.

This year, our institution organized a total of 42 seminars and workshops, providing a platform for intellectual discussions and knowledge-sharing among our students and staff. Furthermore, we conducted 23 extension programs aimed at fostering community engagement and social responsibility among our students.

I am delighted to announce that we signed 3 memorandums of understanding (MoUs) with reputed institutions during the year, paving the way for collaborative initiatives and academic partnerships.

The Internal Quality Assurance Cell (IQAC) has been instrumental in maintaining and enhancing the quality of education at our college. Two Faculty Development Programs (FDP) were organized, focusing on improving documentation skills and learning management systems. These sessions benefitted 33 faculty members and 3 non-teaching staff members, strengthening our academic community.

In addition to these initiatives, our faculty members actively participated in various seminars and workshops organized by external institutions, enriching their knowledge and expertise in their respective fields.

This year also saw significant achievements, with Ms. Chitrakala, the Head of the Department of Commerce, being awarded a doctoral degree in commerce, a testament to her dedication and academic prowess. Furthermore, we introduced new courses - BBA and MA Sociology, providing our students with diverse academic opportunities.

As we reflect on the milestones and accomplishments of the past year, we look forward to continuing our journey towards academic excellence and student welfare in the years to come.

I extend my sincere gratitude to all our stakeholders for their unwavering support and dedication to our college.

Warm regards,

Lt. Cdr. Dr. CK Abdul Rabbi Nistar
