ANNUAL REPORT FOR THE ACADEMIC YEAR 2022-2023

Dear students, staff, and stakeholders,

I am excited to present the annual report for the academic year 2022-23 at our college. With a student strength of 856, we continue to strive for excellence and growth in various aspects of our institution.

Our dedicated faculty members, consisting of 46 teachers and 17 non-teaching staff, have worked tirelessly to deliver quality education across the 6 undergraduate and 5 postgraduate programs offered. In addition, we have successfully conducted 11 certificate courses to enhance the skill sets of our students.

This year, we have focused on organizing various seminars, workshops, and extension programs to enrich the academic experience for our students. A total of 42 seminars and workshops were organized, with 33 extension programs carried out successfully.

Furthermore, we are proud to announce that we have signed 14 memorandums of understanding (MOUs) with reputed institutions during the year, opening up avenues for collaborative initiatives and academic exchange.

The Internal Quality Assurance Cell (IQAC) has played a vital role in enhancing the quality of education at our institution. Three Faculty Development Programs (FDP) were organized, including a national conference on quality assurance in the NAAC perspective, an orientation on revised Framework on NAAC & SSR preparation and a NAAC Orientation on revised manual. These sessions have benefited 41 faculty members and 3 non-teaching staff members.

In addition to these initiatives, our faculty members have actively participated in various seminars and workshops organized by other institutions, further enriching their knowledge and expertise.

As we reflect on the achievements and milestones of the past year, we look forward to continuing our journey towards excellence and academic success in the years to come.

Thank you for your continued support and dedication to our college.

Warm regards,

Dr. Saidalvi U
Principal
Noble Women's College
Manjeri
