SWATCHH BHARATH CLEANLINESS DRIVE AND PLANTATIONS 30/08/2022

On August 30, 2022, the National Service Scheme (NSS) volunteers from Noble Women's College participated in a Swachh Bharat Cleanliness Drive as part of our ongoing commitment to promote cleanliness and hygiene in our community. The primary objective of the cleanliness drive was to raise awareness about the importance of maintaining cleanliness in our surroundings and to actively contribute to the Swachh Bharat Abhiyan initiated by the Government of India. NSS Coordinator Anupama SR divided the Volunteers into teams and cleaned different areas of the college campus, including classrooms, corridors, cafeteria, and outdoor spaces. As part of our commitment to environmental sustainability, a plantation drive was organized where volunteers planted saplings in designated areas of the campus. 50 Volunteers participated in the programme.

International Literacy Day, NSS Day Food Distribution, and Book Donation for Anganwadi Children titled as “KOODE”

Report on Food Distribution in Connection with NSS Day Observation

The event took place on 24.9.22 at Manjeri and aimed to provide food to the public and promoting community welfare. The primary objective of the food distribution event was to observe NSS Day and contribute to the well-being of the community by providing nourishment to those in need. By organizing this event, the NSS volunteers aimed to spread awareness about the importance of service and encourage others to engage in social welfare activities. The planning for the food distribution event began four days in advance. The NSS volunteers formed a committee responsible for coordinating logistics, procuring food supplies, and ensuring smooth execution. The following steps were undertaken regarding the Identification of Target Areas and Food Procurement. The volunteers organized themselves into teams and proceeded to distribute the meals to the identified areas. Volunteers engaged in conversations with the recipients, creating an opportunity to interact, listen to their stories, and understand their needs better. They also raised awareness about NSS activities and encouraged people to participate in community welfare programs. The food distribution event received positive feedback from both the recipients and the community. Recipients expressed their gratitude for the noble initiative and acknowledged the impact it had on their lives. The event garnered significant attention from the local community, leading to increased awareness about the NSS and its activities. Several individuals expressed interest in joining future initiatives. The event was a successful one with the support of Hon.Principal Dr. U Saidalvi and the Programme was coordinated by NSS Programme Officer Dr. Anupama SR.

BOOK DONATION DRIVE SEPTEMBER 14TH-17TH

A Book Donation Drive from September 14th to 17th is organized by the NSS (National Service Scheme) unit of Noble Women's College in connection with NSS Day. The event focused on collecting books from students, faculty, and staff members of the college and distributing them to the Noble College Library and the children at the local Anganwadi center. The primary objective of the Book Donation Drive was to promote a culture of reading, enhance the availability of books for students, and contribute to the educational development of children in the community. The event aimed to encourage students and staff to donate their books to benefit others who may not have access to a wide range of reading materials. The NSS team set up collection boxes at designated locations within the college premises. Students, faculty, and staff members were encouraged to donate books from various genres, including textbooks, storybooks, reference books, and educational materials. After the collection period, the NSS volunteers carefully sorted through the donated books, ensuring they were in good condition and appropriate for the target recipients. Books that were outdated or damaged beyond repair were excluded from the distribution. The book donation drive was a great success with the support of the Hon. College Principal Dr.U Saidalvi and the collected books were handed over on 29.09.2022 to Librarian. The books for the Anganwadi students were handed over by NSS Programme Officer Dr.Anupama SR and NSS Volunteers at Vettekode Anganwadi on 30.09.2022. A total of 90 books were donated to the College Library and 40 books were donated to the Anganwadi children.

ANTIDRUG AWARENESS ACTIVITIES OCT NOV 2022

CAMPAIGN AND SURVEY AT ADOPTED VILLAGE 15.10.22

The antidrug awareness campaign aimed to raise awareness about the dangers of drug abuse, promote a drug-free community, and provide support and guidance to individuals affected by drug addiction. The primary objective of the Anti-Drug Campaign was to create awareness and educate the community in Vettekode about the harmful effects of drug abuse. The campaign aimed to discourage drug usage among youth, provide counselling and support to individuals struggling with addiction, and establish a network of resources to address the issue effectively. The programme also helps the students, parents, and community members to understand about the physical, mental, and social consequences of drug abuse.

LAHARIVIRUDDHA JWALA 24.10.2022

Drug abuse is a growing concern worldwide, affecting individuals, families, and communities. Recognizing the need to address this issue, the NSS team of Noble College launched the Lahariviruddhajwala campaign aims to create awareness, educate, and prevent drug abuse among students and the wider community. The primary objectives of the Lahariviruddhajwala campaign is to raise awareness and educate students and the community about the dangers and consequences of drug abuse. All NSS volunteers participated in the Lahariviruddha Jwala with neighbours and made it a huge success .92 Volunteers participated in the programme.

CLEAN CAMPUS GREEN CAMPUS 31.10.22

The focus of the event was on conducting a cleaning drive in campus and street areas which was organized in the month of October to pay tribute to Mahatma Gandhi's principles of cleanliness and environmental consciousness. Volunteers are assigned to clean different areas within the campus and were provided with detailed instructions regarding their responsibilities and the importance of maintaining cleanliness. Volunteers were divided into groups and assigned specific areas to clean, including classrooms, corridors, common areas, gardens, and parking lots. Alongside the cleaning drive, an awareness campaign on the importance of cleanliness and environmental sustainability was conducted. Volunteers interacted with students and faculty members, emphasizing the significance of cleanliness in maintaining a healthy and hygienic campus environment. Volunteers educated participants about the segregation of biodegradable and non-biodegradable waste and encouraged the use of designated dustbins. This initiative aimed to promote a culture of responsible waste disposal among students and staff. The event showcased the active involvement of the NSS unit in promoting social responsibility and creating a positive impact within the college community. The initiative highlighted the NSS's commitment to community service and its alignment with the principles and values propagated by Mahatma Gandhi. The programme was well planned under the guidance of College Principal Dr.U Saidalvi and according to his instructions Dr. Anupama SR, NSS PO, Coordinated the programme with the support of the volunteer secretary and leaders.50 Volunteers participated in the programme.

Street Play at Manjeri New Bus stand and Noble College 2.11.22

To engage and captivate the audience, NSS volunteers organized street play highlighting the adverse effects of drug abuse. These interactive performances helped convey the message effectively and encouraged open discussions about the topic. NSS volunteers organized rallies and interactive sessions where community members shared their experiences and insights related to drug abuse. This inclusive approach fostered a sense of ownership and collective responsibility in combating the issue. By providing knowledge and resources, the campaign empowered community members, particularly youth, to make informed decisions and resist the temptations of drug abuse. 48 Volunteers participated in the programme

HEALTH AWARENESS AND INTERACTIVE SESSION

12/11/22

NSS Volunteers handled session related to the health and its management at Peace Public School on 12/11/22. The selected 10 Volunteers engaged in various sessions on protecting the health and hygiene. Students from 3rd and 4th standard participated in the session and they interacted with the volunteers. The primary objective of the awareness session was to educate primary school students on the importance of health and hygiene, fostering habits that contribute to their overall well-being. The session aimed to cover key aspects such as personal hygiene, nutrition, and basic health practices. Volunteers Utilized storytelling and role-playing activities to convey health and hygiene concepts in a fun and relatable manner.

CHILDREN'S DAY 14.11.22

Children's Day, observed on November 14th in India, commemorates the birth anniversary of Jawaharlal Nehru, the first Prime Minister of India, who was fondly called "Chacha Nehru" (Uncle Nehru) due to his affection for children. The event aimed to celebrate Children's Day and provide a platform for the participation of children from Noble Public School in various cultural programmes. Recognizing the importance of this day, the NSS team of Noble Women's College organized a series of activities and cultural programmes to make the day memorable for the children. The Children's Day programmes organized by NSS Noble Women's College included a diverse range of activities. Children from Noble Public School presented vibrant cultural performances, including dance, music and poetry recitations. The performances showcased the rich cultural heritage of the region and the talents of the young participants. The programmes provided an opportunity for the children to develop their talents, boost their confidence, and enhance their communication and performance skills. To add an element of joy and excitement, fun games and rides were set up, providing the children with an enjoyable and memorable experience. The programme was conducted at Noble campus on 14th November with more than 150 participants. 80 volunteers were participated in the programme and Volunteer Secretary Fareena Farveen coordinated the programme with the support of NSS volunteers.

HEALTH AWARENESS SESSION AT SCHOOL

The health awareness sessions conducted by NSS volunteers in schools have made a significant impact on students' understanding of health and hygiene. By fostering a culture of awareness and preventive healthcare, the campaign contributes to building healthier and more informed communities. 10 Volunteers handled sessions at Maadin Public school on 5th December 2022 in which the students from 5th and 6th standard were participated. A total of 60 students participated in the session.

VACCINATION SURVEY 5.12.2022-7.12.2022

Measles vaccination survey was conducted by the National Service Scheme (NSS) volunteers of Noble College in the Manjeri Municipality in association with Manjeri medical college from December 5th to 7th. The purpose of the survey was to assess the immunization status of children and raise awareness about measles vaccination in the community. Measles is a highly contagious viral infection that primarily affects children. Vaccination is crucial to prevent the spread of this disease and ensure community immunity. Recognizing the importance of measles vaccination, the NSS volunteers of Noble College participated in the survey to gather data on immunization coverage and create awareness about the benefits of vaccination. Selected volunteers from second and first years are participated in the survey with the support of Asha workers.

AWARENESS CAMPAIGN AT NANIYANGADI VILLAGE

On 27/12/2022 a Anti Drug Awareness Campaign was organized at Naniyangadi Village with the support of Singers Nest of NWC. The campaign aimed to raise awareness about the dangers of drug abuse and promote antidrug messages among the villagers. A total of 45 volunteers, along with 10 singers from Singers Nest, actively participated in the campaign. The campaign commenced with an awareness rally through the streets of Naniyangadi Village. Volunteers and singers carried banners and placards with slogans condemning drug abuse and advocating for a drug-free community. Singers from Singers Nest performed songs with antidrug messages, conveying the campaign's theme through music and entertainment. The cultural performances helped in capturing the attention of the audience and delivering the message effectively. The campaign succeeded in raising awareness about the harmful effects of drug abuse and the importance of prevention and intervention. Through interactive sessions and cultural performances, the campaign fostered community engagement and encouraged collaboration in addressing the issue of drug abuse.

RALLY ON 21.03.23 AT MALAPPURAM TOWN REGARDING TUBERCULOSIS

The rally competition on tuberculosis with the participation of 28 volunteers demonstrated the commitment of the community towards combating the disease on 21st March. The event successfully achieved its objective of raising awareness about tuberculosis and promoting preventive measures and appropriate treatment. The impact of this initiative will continue to benefit the community by reducing the prevalence of tuberculosis and supporting those affected by the disease. By actively engaging with the public, the volunteers fostered an environment of empathy and understanding. They effectively conveyed the message through pluck cards and slogans that tuberculosis is preventable, treatable, and curable with timely intervention and adherence to medical advice. Dr. Anupama SR (NSS PO) and Mr. Madhosoodhanan (faculty of Hindi) accompanied the volunteers.

RED RIBBON CLUB ACTIVITIES

2022 2023

Red Ribbon Club (RRC) is a youth-led intervention program initiated by the Government of India in collaboration with the State AIDS Control Societies to spread awareness about HIV/AIDS prevention, care, and support. RRC club of NWC play an important role in promoting health awareness, community participation, skill development, empowerment, and networking among college students. In the academic year 2022 23 the RRC team of NWC conducted various health awareness programs and campaigns to educate college students about HIV/AIDS, its prevention, and related issues. These programs can also help in promoting healthy behavior and reducing the risk of HIV transmission among young people. RRC club members actively

U Saidalvi

Dr. U SAIDALVI

NOBLE WOMEN'S COLLEGE, MANJERI
PULLANCHERI PO, PIN: 676 122

participated in HIV testing camp. The club provides an opportunity for college students to develop various skills such as leadership, communication, and teamwork. These skills can help students in their future careers and personal development. The club also provides a platform for students to take leadership roles and make decisions related to health issues. This can help in empowering young people to take charge of their health and well-being.

On International Youth Day, the Kerala State Aids Control Society, National Health Mission, and Red Ribbon Club jointly organized the "Open Mind Open Stage" district level talent show at NSS College Manjeri in 2022. Seven volunteers from Noble Women's College participated in the program, showcasing their various talents. Nadha Nazer V secured second prize, while Nigitha I secured third prize in the OSOM talent show dance competition. Geethika Krishna and Anju Treeza Soyi participated in the "Folk Song" competition, and Safna V participated in Monoact. Sisney and Aparna were the student coordinators, and RRC coordinator Dr. Anupama SR accompanied the volunteers. The college level programme was organized at NWC auditorium and began with a welcome speech by Dr. Anupama SR, RRC, and NSS Program Coordinator, and was inaugurated by Hon. Principal Dr. U Saidalvi. Heads of various departments also felicitated the function, and Volunteer Secretary Fareena Farveen delivered the vote of thanks. College Principal delivered the international youth day message and handed over the mementos to the winners.

The RRC volunteers also prepared a project related to the blood donation sector, highlighting the problems facing it today. They submitted the project proposal to KSACS with the certification issued by the College Principal, and received certificates and mementos for their participation. In addition, NSS and RRC team jointly organized a medical camp and HIV testing for the public. A seminar on World Aids Day was also organized in association with NSS and the Physical Education Department on December 1, 2022, at the College auditorium. College Principal Dr. U Saidalvi inaugurated the program, and the Resource Person of the programme titled "EQUALISE" was Dr. Mohammed Basil KK ART (HIV) Medical Officer, Govt. Medical College, Manjeri. Dr. Anupama SR delivered Welcome speech and Vote of thanks was given by Ms. Arsha (Physical education trainer). On the same day team RRC pledged to protect the loved ones and to fight against the disease.

Dr. U SAIDALVI

NOBLE WOMEN'S COLLEGE, MANJERI
PULLANCHERI PO, PIN: 676 122

RRC team organized a red ribbon pinning ceremony on December 1, 2022, to create awareness about HIV/AIDS prevention and care. The volunteers pinned red ribbons to the college Principal, teaching and non teaching staff and students as a symbol of solidarity and support for people living with HIV/AIDS. The red ribbon is a universal symbol for HIV/AIDS awareness and serves as a reminder of the ongoing fight against this disease.

Overall, the events organized by RRC Team NWC Manjeri in this academic year were successful in raising awareness of important health issues and showcasing the talents of students.
