## Action Taken Report -2018-2019

### Internal Quality Assurance Cell

- ◆ **Constitution of Internal Quality Assurance Cell (IQAC):** The year 2018-2019 marked the establishment of the Internal Quality Assurance Cell (IQAC) at Noble Women's College, Manjeri. A diverse team consisting of faculty, administrative staff, and student representatives was constituted to oversee and implement quality enhancement measures across the institution.
- ◆ **Planned Upcoming Quality Ensuring Activities:** A comprehensive plan was formulated to ensure and enhance quality across various aspects of the college. The plan encompassed strategies for academic improvement, infrastructure development, faculty training, student support, and community engagement initiatives.
- ◆ **Conducted NAAC Awareness Sessions and Appointed Criteria Coordinators:** To prepare for accreditation, NAAC awareness sessions were conducted, educating stakeholders about the accreditation process and criteria. Seven criteria coordinators were appointed to supervise and ensure compliance with NAAC standards.
- ◆ **Collection of Annual Reports and Action Plans:** Annual reports from all departments and clubs were meticulously collected and analysed to assess their performance, strengths, and areas needing improvement. Action plans from these entities were compiled to provide a roadmap for targeted enhancements.
- ◆ **Conducted Certificate, Add-on, and Value Added Courses:** Each department actively organized certificate, add-on, and value-added courses to enrich the academic experience and equip students with practical skills beyond the curriculum.
- ◆ **Skill Enhancement Programs, Extension, and Outreach Activities:** The IQAC conducted skill enhancement programs for students to bolster their abilities. Efforts in extension and outreach activities were intensified, fostering strong ties with the community.

- ◆ **Continued Management Scholarships and Infrastructure Upgrades:** Decision-making bodies resolved to continue management scholarships, ensuring financial support for deserving students. Significant improvements were made to the college's infrastructure to provide a conducive learning environment.
- ◆ **Organized Faculty Development Programs:** Faculty development programs were meticulously organized, led by resource person Er. Ismail (Secretary of NWC). These programs aimed to empower educators with contemporary teaching methodologies and subject expertise.
- ◆ **Augmented Library and Laboratory Facilities:** The library's resource count was increased, expanding academic resources for students and faculty. Laboratory facilities were enhanced to meet the evolving educational requirements.
- ◆ **Comprehensive Feedback Collection and Result Analysis:** Feedback from students, parents, teachers, and employers was systematically collected and analyzed to understand perspectives and identify areas for improvement. Rigorous result analyses were conducted to evaluate academic performance.
- ◆ **Induction Program for First-Year Students and Minority Support:** Specialized induction programs were organized for first-year students to acquaint them with college life and academic expectations. The college also extended support to minority students to ensure their inclusive participation and success.
- ◆ **Tailored Support for Slow and Advanced Learners:** Efforts were made to identify and provide appropriate guidance to slow and advanced learners, ensuring they received tailored support for their academic progress.
