## Action Taken Report -2019-2020

### Internal Quality Assurance Cell

The Internal Quality Assurance Cell (IQAC) of Noble Women's College, Manjeri, diligently executed multifaceted initiatives aimed at enhancing educational quality, fostering holistic development, and reinforcing the institution's commitment to excellence. The comprehensive action taken report for the academic year 2019-2020 includes the following key highlights:

- ◆ **Orientation Program for Faculties:** An insightful orientation program was conducted to acquaint the faculty members with the latest pedagogical trends. This initiative equipped educators with innovative teaching methodologies, ensuring an enriched learning experience for students.
- ◆ **Development and Execution of Syllabus for Certificate and Add-On Courses:** The IQAC actively participated in formulating and executing the syllabi for certificate and add-on courses. These specialized courses broadened the academic horizons for students and enriched their skill sets.
- ◆ **Departmental Action Plans:** Each academic department presented its tailored action plan for the year. This collaborative approach facilitated alignment with institutional objectives while nurturing a sense of ownership and accountability among departmental units.
- ◆ **Programs under Statutory Cells:** Various programs, including cultural events, seminars, workshops, and academic lectures, were organized under different statutory cells of the college. These initiatives enriched the academic ambience and encouraged holistic development.
- ◆ **Implementation of Waste Management System:** A systematic waste management system was successfully implemented on campus. This initiative reflected the institution's dedication to environmental sustainability and instilled a sense of responsibility among students and staff towards eco-friendly practices.
- ◆ **Upgrade of Software and Hardware Systems:** The IQAC spearheaded the upgrade of software and hardware systems across the campus infrastructure. This technological enhancement aimed to modernize educational methodologies, streamline administrative processes, and create an enhanced learning environment.

- ◆ **Conduct of Extension Activities:** Diverse extension activities, including community engagement programs, awareness campaigns, and social initiatives, were conducted. These initiatives provided students with practical exposure and fostered their holistic development beyond classroom learning.
- ◆ **Mega Intercollegiate Expo:** A grand intercollegiate expo held from 15th October to 17th October showcased the talents and accomplishments of various departments. The event witnessed active participation and featured a multitude of programs, highlighting the academic prowess and creativity of the institution.
- ◆ **Workshop on Quality Assessment and Accreditation:** A specialized workshop on quality assessment and accreditation was conducted, with Mr. Limseer Ali P, the IQAC Coordinator from MES College, Ponnani, as the esteemed resource person. This workshop aimed to deepen understanding and compliance with quality benchmarks and accreditation processes.
- ◆ **Introduction of New Courses:** The college applied for the introduction of two new courses, BBA and MA Sociology, broadening the academic spectrum and offering diversified educational avenues to students.
- ◆ **Mega Alumni Meet:** A large-scale alumni gathering was organized, fostering connections between the institution and its alumni network, encouraging collaboration, and sharing experiences.
- ◆ **Continuation of Management Scholarships:** The management scholarships were continued, supporting meritorious students and facilitating their academic pursuits.
- ◆ **Result Analysis and Student Profiling:** Detailed result analysis was conducted to identify both advanced and slow learners. This profiling facilitated tailored interventions to support and challenge students based on their individual learning needs.
- ◆ **Field Trips/Industrial Visits:** To enhance experiential learning, field trips and industrial visits were organized, exposing students to real-world applications and industry practices.
