## Action Taken Report -2022-2023

### Internal Quality Assurance Cell

The Internal Quality Assurance Cell (IQAC) of Noble Women's College, Manjeri is pleased to present the comprehensive Action Taken Report for the academic year 2022-23. The report covers a wide array of initiatives, programs, and strategic actions undertaken to ensure the continuous enhancement of quality education, holistic development, and the pursuit of academic excellence.

#### Academic Enrichment Initiatives:

##### ◆ Introduction of Online Grievance Redressal Portal:

The institution successfully introduced an Online Grievance Redressal Portal embedded within the college website. This innovation provided an effective platform for students and faculty to report their concerns promptly, thereby facilitating timely resolution and follow-up actions.

##### ◆ Workshops and Faculty Development Programs (FDPs) on NAAC Accreditation:

In alignment with the accreditation standards set by the National Assessment and Accreditation Council (NAAC), the college organized a series of insightful workshops and comprehensive FDPs. These sessions were meticulously designed to familiarize and update the faculty with the revised accreditation framework, ensuring a proactive approach towards compliance and improvement.

##### ◆ Expert-led FDP by Dr. Dharmadhikari N.S. (NAAC & UGC Comm. Member):

To enhance the faculty's proficiency in understanding and implementing accreditation processes, a specialized FDP was conducted by Dr. Dharmadhikari N.S., a revered figure in NAAC & UGC committees. This session provided valuable insights and strategic guidance in aligning institutional practices with accreditation requisites.

##### ◆ Workshop on Intellectual Property Rights and Cyber Law and Security:

A comprehensive workshop on Intellectual Property Rights (IPR) and Cyber Law/Security was organized, emphasizing the significance of respecting and safeguarding intellectual creations. The session aimed to educate students and faculty about the importance of ethical practices concerning innovations and original works.

## **Technological Advancements and Academic Infrastructure Development:**

### ◆ **Technology Integration and Digital Library Enhancement:**

The institution augmented its digital library infrastructure by implementing D-Space, a robust platform enriching the repository of scholarly resources. Furthermore, the adoption of Google Workspace as the new Learning Management System (LMS) and Embase Pro Suit as the ERP system streamlined administrative operations, ensuring efficiency and transparency.

### ◆ **Library Resource Enrichment and Campus Infrastructure Development:**

As part of academic resource augmentation, the college expanded its library resources by acquiring and adding a diverse range of books and publications. Concurrently, the transformation of conventional classrooms into technologically advanced smart classes facilitated interactive and engaging pedagogical experiences. The establishment of high-speed internet connectivity and campus-wide Wi-Fi further facilitated seamless access to online educational resources.

### ◆ **Environment Conservation Initiatives:**

Demonstrating a commitment to environmental sustainability, the institution installed biogas plants, solar panels, and water recharge systems. These initiatives aimed at harnessing renewable energy sources, effective waste management, and water conservation, fostering an eco-friendly campus environment.

## **Cultural, Extra-curricular, and Community Engagement Activities:**

### ◆ **Cultural and Extra-curricular Initiatives:**

The college initiated 'Singers Nest,' a dedicated music club providing a platform for students to showcase their musical talents and fostering a vibrant cultural ecosystem. Additionally, 'Ennumen Noble,' a grand alumni fest under NOSTA, and 'Accord 2k22,' a significant graduation ceremony, celebrated the achievements and contributions of the college community.
